## ORDERS IN COUNCIL.

## GOVERNMENT HOUSE, VICTORIA.

30th June, 1896.

## PRESENT:

HIS HONOUR THE LIEUTENANT-GOVERNOR  
IN COUNCIL.

WHEREAS, owing to the lateness of the season, the depth of snow in the mountains is still very great, and thus prohibits many holders of claims on the higher ranges from performing the assessment work required by the Mineral Act during each year; and

Whereas it is desirable, with a view to obviate this difficulty, that an order granting discretionary permission to Gold Commissioners throughout the Province to extend the time for a period of sixty days for the completion of assessment work on such mineral claims as are at this date covered with snow and consequently inaccessible, be made,

On the recommendation of the Honourable the Minister of Mines,

His Honour the Lieutenant-Governor, by and with the advice of His Executive Council, and under the provisions of section 161 of the "Mineral Act, 1896," has been pleased to order, and it is hereby ordered, as follows, that is to say:—

It shall be lawful for the Gold Commissioners throughout the Province to extend the time for a period of sixty days, to date from the 17th day of July, 1896, for the completion of assessment work on

such mineral claims as the Gold Commissioners have good cause to believe are at this time inaccessible, in consequence of the depth of snow which covers the said claims.

AT THE GOVERNMENT HOUSE AT OTTAWA,  
Wednesday, the 8th day of July, 1896.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL  
IN COUNCIL.

**O**N a Memorandum dated 30th June, 1896, from the Minister of the Interior, stating that Mr. J. L. Hughes, of Cherry Creek, British Columbia, rancher, has applied for permission to purchase the following lands situated in Township 19, Range 19 west of the 6th Meridian, viz.:—The undisposed of portions of the

west half of Section 35, containing 196 acres, the available portions of the north half and south-east quarter of Section 33, together containing 245 acres, and the south-west quarter of Section 34, containing 160 acres, making a total of 601 acres. Mr. Hughes, who is the proprietor of adjacent lands, which he acquired from the Provincial Government, is extensively engaged in the business of stock-raising and requires the land he now applies for in connection with that business.

The Minister is of opinion that it is advisable to authorise a sale of the lands to Mr. Hughes.

The Minister further states that Mr. Hughes claims to have applied for the lands to Mr. Fawcett, who surveyed them for the Dominion Government, prior to 1889, in which year the price of Dominion lands in British Columbia was increased from \$2.50 to \$5.00 per acre, and he therefore contends that he should not be required to pay more than the rate existing at the time he made that application.
